

North Dakota Library Association  
*Established 1906*

TOGETHER WE STAND:

The North Dakota Library Association stands with our patrons, communities we serve, and library employees who have encountered and are subjected to acts of prejudice, threats of violence, and discrimination based on their race or ethnicity. NDLA endorses the statements from the [Black Caucus of the American Library Association \(BCALA\)](#) and the [ALA Executive Board](#) which condemn violence and racism towards Black people and all People of Color.

Traci Lund, NDLA President

Amy Soma, NDLA President-Elect

Maggie Townsend, NDLA Past President
